

EVANGERS PET FOOD RECALL

Evanger's Dog & Cat Food Co. has issued a recall of **Hunk of Beef Au Jus** Dog food after **pentobarbital** was discovered in a sample. Pentobarbital can cause drowsiness, dizziness, nausea, loss of balance and death.

The product in question comes in 12-oz cans and was manufactured the week of June 6-13, 2016. Lot numbers are 1816E03HB, 1816E04HB, 1816E06HB, 1816E07HB and 1816E13HB.

Massachusetts is one of the states the product was distributed in.

To date, five dogs have been sickened with one death being attributed to the bacteria.
